*****NMSF is associated with the Science Park Project of Navi Mumbai Municipal Corporation*****

Ref.: NMSF/HBBVC/2023

Date: 17 / 04 / 2023.

To,

Sub: Homi Bhabha Bal Vaidnyanik Competition (HBBVC) –2023. Guidance Sessions in Theory for students of Standard VI.

Dear Sir /Madam,

It gives me immense pleasure to inform you that the guidance sessions for students of std. VI (**those passing std. V & joining std. VI**) are being organized this year in “**OFFLINE MODE**” by Navi Mumbai Science Foundation (NMSF) as a part of its activity “**LEARNING SCIENCE WHILE AT EASE**”.

Other students of std. VI (not planning to appear for HBBV competition) & those of Std. VII, having keen interest in science subjects, may also consider joining these immensely beneficial sessions. **All the lectures will be delivered by scientists having excellent teaching experience.** It may be noted that exposure to learning science from scientists has a different flavour altogether.

The regular classroom sessions will start from Sunday, the 4th June, 2023 & continue for 15 Sundays till the end of September, 2023. After completion of the scheduled sessions, two practice tests, similar to actual HBBVC test, will also be conducted. **Further details regarding these guidance sessions are given in the following sheet.**

This is, therefore, to request you to kindly give wide publicity to this circular in your school and encourage participation of students in the same.

Thanking you & with warm regards,

Yours Sincerely,

(A K Rajarajan)
Secretary, NMSF.

Homi Bhabha Bal Vaidnyanik Competition (HBBVC)

(To be held by MST A in September/October 2023)

Guidance Sessions for Students of Std. VI.

(For those passing std. V & going to VI)

(Students going to std. VII are also welcome to join for a revision)

Learn Basics of Science from Scientists (while at Ease)

DURATION: Sunday, June 4, 2023, onwards, for 15 Sundays.

Details:

Total No. of lectures:	45 (15 each in Physics, Chemistry and Biology).
Duration of each lecture:	60 minutes.
Timings:	9.00 hrs. to 12.20 hrs. (three lectures) on all Sundays. and one additional math lecture on last five Sundays
Practice Examination(s):	Two; Dates will be confirmed later.
Medium of instructions:	English.

Highlights:

- Additional 5 lectures in Mathematics during the last 5 Sundays.
- Lectures will be delivered by scientists.
- Child-centric approach to instructions.
- Interaction with resource persons also via e-mail.
- Guidance aimed at unleashing the student's creativity.

Details of syllabus covered are available on the official website of Greater Bombay Science Teachers' Association website: <http://www.msta.in>

For enquiries regarding registration to classes & donations
parents may write a mail to "nmsfscienceutsav@ gmail.com"

OR contact:

Dr D A R Babu: 97699 69694; or Dr. A.M. Bhagwat: 93241 68510, (after 1800 hrs.).

or follow the information on our website:

<http://www.navimumbaiencefoundation.org>

SIGNIFICANCE OF DONATIONS:

Attention of parents is drawn to the fact that NMSF, as an NGO, is expected to conduct its scientific activities mainly on donations & depend only partly on participation/admission fee. **This requires NMSF to beseech parents** to come forward with generous donations that will permit it to carry out desired scientific activities, now & in future, in a manner commensurate with its present reputation. Cooperation of parents, in successful implementation of all its activities, has therefore become "All the More Essential".

Details for Online transfer of Donations:

Bank's Name: Thane Janata Sahakari Bank Ltd.

Address: Vashi Branch, 1, Apsara Bldg., Plot No. 51, Sec. 17, Vashi, NM – 400703.
