To,
The Principal,

**Sub: Homi Bhabha Bal Vaidnyanik Competition (HBBVC) –2026.
Guidance Sessions in Theory for students of Standard VI, in offline mode.**

Dear Sir /Madam,

It gives me immense pleasure to inform you that the guidance sessions for students of Std. VI (those passing Std. V & joining Std. VI) are being organized in the “**OFFLINE MODE**” by Navi Mumbai Science Foundation (NMSF) at **Fr. Agnel M. P. School, Sec-9A, Vashi, NM**. It is a part of its annual activity “**LEARNING SCIENCE WHILE AT EASE**”.

Other students of Std. VI (not planning to appear for HBBV competition) & those of Std. VII, having keen interest in science subjects, may also consider joining these immensely beneficial sessions. **All the lectures will be delivered by scientists having excellent teaching experience.** It may be noted that exposure to learning science from scientists has a different flavour altogether.

To give a feel of this kind of exposure to students, “one free off-line lecture” is being arranged on Sunday, June 21, 2026, at 09.00 am at Fr. Agnel M. P. School site. For details of donation-cum- registration, etc., interested parents / students may visit NMSF’s website:

<http://www.navimumbaiencefoundation.org>.

Regular classroom sessions will start from Sunday, June 28, 2026, & continue for 15 Sundays. After completion of the scheduled sessions, one/two practice tests, similar to actual HBBVC test, will also be conducted.

“Further details regarding these guidance sessions are given in the next sheet”.

This is, therefore, to request you to kindly give wide publicity to this circular in your school and encourage participation of students in the same.

Thanking you & with warm regards,

Yours Sincerely,

(A K Rajarajan)
Vice-Chair & Secretary, NMSF.

SIGNIFICANCE OF DONATIONS

Attention of the parents is drawn to the fact that NMSF, as an NGO, is expected to conduct its scientific activities **mainly on donations.** This requires NMSF to beseech parents to register their wards for the guidance sessions **via donation route.** It also gives them some **benefit of Income Tax.** Parents are accordingly requested to contribute a sum of "**Rs. 12,000/-**" or more by donation, at the time of registration of their ward. It will enable NMSF to carry out this activity in a manner commensurate with its present standards & reputation.

Important: There will be no separate registration fee for one-day practical's workshop (to be held around Dec. 2026) for students attending the above theory sessions.

The requisite "Donation Google Form" has been loaded on the website mentioned above.
