## **Sub: Homi Bhabha Bal Vaidnyanik Competition (HBBVC) –2021. Online Guidance Sessions in Theory for students of Standard VI.**

Dear Sir /Madam,

It gives me immense pleasure to inform you that the online guidance sessions for students of std. VI (**those passing std. V & joining std. VI**) are being organized this year also by Navi Mumbai Science Foundation (NMSF) as a part of its activity “**LEARNING SCIENCE WHILE AT EASE**”. Online guidance has become essential due to continuing “CORONA” environment.

Other students of std. VI (not planning to appear for HBBV competition) & those of Std. VII, having keen interest in science subjects, may also consider joining these immensely beneficial sessions. The lectures will be delivered by scientists / research scholars having excellent teaching experience. It may be noted that exposure to learning science from scientists has a different flavour altogether.

**To give a feel of this kind of exposure to students**, two online lectures are scheduled for 23<sup>rd</sup> and 30<sup>th</sup> of May 2021 at 10 am as zoom online meeting. For links, passcodes and other details of these lecture, interested Students may visit NMSF’s website: <http://www.navimumbaisciencefoundation.org>.

The regular online sessions will start from 6<sup>th</sup> June, 2021 & continue for 15 Sundays till the end of September, 2021. After completion of the scheduled sessions, two online practice tests, similar to actual HBBVC test, will also be conducted. **Further details regarding these guidance sessions are given in the following sheet.**

This is therefore to request you to kindly give wide publicity to this circular in your school and encourage participation of students in the same.

Thanking you & with warm regards,

Yours Sincerely,

(D A R Babu)  
Secretary, NMSF.

## Homi Bhabha Bal Vaidnyanik Competition (HBBVC)

(To be held in September/October 2021)

### Guidance Sessions for Students of Std. VI.

(For those passing std. V & going to VI)

(Students going to std. VII are also welcome to join for a revision)

*Learn Basics of Science from Scientists (while at Ease)*

**DURATION: Sunday, June 6, 2021, onwards, for 15 Sundays.**

#### Details:

Total No. of lectures:	45 (15 each in Physics, Chemistry and Biology).
Duration of each lecture:	60 minutes.
Timings:	9.00 hrs. to 12.20 hrs. (three lectures) on all Sundays.
Practice Examination(s):	Dates will be confirmed later.
Medium of instructions:	English.

#### Highlights:

- Additional 5 lectures in Mathematics during the last 5 Sundays.
- Lectures will be delivered by scientists & research scholars.
- Child-centric approach to instructions.
- Interaction with resource persons also via e-mail.
- Guidance aimed at unleashing the student's creativity.

## For enquiries regarding sending wards to classes & donations

### parents may contact:

Dr. D. A. R. Babu: 97699 69694; Shri M.P. Bellary: 90823 13349; or

Dr. A.M. Bhagwat: 93241 68510, (after 1800 hrs). **OR**

write a mail to [nmsfsciencecutsav@gmail.com](mailto:nmsfsciencecutsav@gmail.com)

### SIGNIFICANCE OF DONATIONS:

Attention of parents is drawn to the fact that NMSF, as an NGO, is expected to conduct its scientific activities mainly on donations & depend only partly on participation/admission fee. **This requires NMSF to beseech parents** to come forward with donations that will permit it to carry out desired scientific activities, now & in future, in a manner commensurate with its present reputation. Cooperation of parents, in successful implementation of all its activities, has therefore become all the more essential.
