Sub: Homi Bhabha Bal Vaidnyanik Competition Examination–2020. Online Guidance Sessions in Theory for students of Standard VI.

Dear Sir /Madam,

Every year NMSF conducts guidance sessions for Homi Bhabha Bal Vaidnyanik Competition starting from 2nd Sunday of April. The competition itself is conducted by The Greater Bombay Science Teachers Association (GBSTA). This year's competition is yet to be announcement by GBSTA in the website <https://msta.in/>. Due to prevailing uncertain lock down conditions, NMSF would like to conduct online guidance classes for VI standard only from June 2020 via the online medium "Zoom".

The timing of the classes are as follows:

9:00 am to 12:30pm on all Sundays starting from Sunday, 7th June 2020. There will be three classes during this time. The first class will be chemistry, second will be biology and the third will be physics. There will be 15 minutes interval in between the classes. The classes will run till one week before the actual exam by GBSTA – during which time we are planning for 45 one-hour classes.

In order to finalize the modalities of online classes, **A trial class is being arranged on 31st May 2020 at 9:00 am with existing registered students.**

A class of 40 is being aimed at for the zoom class as well. The registration will be held first come first serve basis.

Kindly give this circular a wide publicity among your social group and encourage participation of students from your acquaintance.

Thanking you & with warm regards,

Yours Sincerely,

(D A R Babu)
Secretary/NMSF.

Homi Bhabha Bal Vaidnyanik Competition (HBBVC)

Guidance Sessions for Students of Std. VI.

Learn Basics of Science from Scientists (while at Ease)

VENUE: Online Zoom Meeting

DURATION: Sundays, June 2020, to: Sunday, September 28, 2020.
(ending date depends on exam by MSTA)

Details:

Total No. of lectures:	45 (15 each in Physics, Chemistry and Biology).
Duration of each lecture:	60 minutes.
Timings:	9.00 hrs. to 12.30 hrs. (Three lectures) on all Sundays.
Practice Examination:	Towards the end of sessions (date to be confirmed later)
Medium of instructions:	English

Highlights:

- Lectures will be delivered by scientists & research scholars.
- Child-centric approach to instructions.
- Interaction with resource persons also via e-mail.
- Guidance aimed at unleashing the student's creativity.
- No. of seats: ~ 40 (since seats are limited, please register at the earliest to avoid disappointment).

Details of syllabus covered are available on website <http://www.msta.in>

APPEAL FOR DONATIONS:

Attention of parents is drawn to the fact that NMSF, as an NGO, is expected to conduct its scientific activities mainly on donations & depend only partly on registration fee. This requires us to beseech parents to come forward with donations that will permit us to carry out desired scientific activities, now & in future, in a manner commensurate with our present reputation. For donations, parents may contact: [**Registration Fee: Rs. 2500/-.**](mailto:Shri M. P. Bellary (Mobile: 90823 13349 / 99879 52476) Dr. A. M. Bhagwat (Mobile: 93241 68510, only after 06.00 pm) in advance.</p></div><div data-bbox=)

Mode of Registration:

1. [Shri M. P. Bellary \(Mobile: 90823 13349 / 99879 52476\)](mailto:Shri M. P. Bellary (Mobile: 90823 13349 / 99879 52476))

Please bring the original registration form on the first day of the class.

For enquiry kindly write a mail to nmsfscienceutsav@gmail.com

OR

Contact: Dr. A. M. Bhagwat (Mob. 93241 68510) after 06.00 pm.
