## Pre – Regional Mathematics Olympiad

The Regional Mathematical Olympiad is organized in India by **Homi Bhabha Centre for Science Education (HBCSE, TIFR)**, on behalf of the **National Board for Higher Mathematics (NBHM)** and is financed by **Department of Atomic Energy (DAE)**. A complete detail of the Olympiad examinations leading to participation in the International Mathematics Olympiad can be obtained from the official site of HBCSE.

<http://olympiads.hbcse.tifr.res.in/major-change-in-mathematical-olympiads-programme-2018-2019/>

The **Pre-RMO**, has been introduced which will be held in the month of **August**. The **RMO** will be conducted in **October**. With just four topics from the precollege mathematics (Geometry, Algebra, Number Theory and Combinatorics), **the math Olympiad exams are the most challenging ones**. Attempting this exam requires special training and guidance.

*Navi Mumbai Science Foundation (NMSF) feels privileged while arranging a training program for the same at Fr. Agnel Multi-Purpose School & Jr. College, Sec. 9 A, Vashi, Navi Mumbai. The present program is for training students for Pre-RMO & RMO-2019 Examination. It is a first program of its kind in Navi Mumbai. and will benefit students of Navi Mumbai and Thane region. The experts who conduct this training are well experienced in the field.*

The details of "Pre-RMO" guidance programme are as under:

1. In view of the inclusion of pre-RMO stage in the process of selecting the inter-national Olympiad team, we have modified our guidance session schedule as well.
2. Preparations for the Pre RMO 2019 exam (expected to be held in August 2019) and for RMO (for those who qualify in Pre RMO) starts from 09-03-2019 to 05-10-2019 and will consist of 40 hours of training.
3. The classes will be conducted on every Saturday in the evening 5:00pm to 7:00 pm. The students who are eligible for appearing in pre-RMO 2019 (students who will be in 8th and 9th standard) may register for the class.
4. A vacation of one month will be given starting from 2 weeks before school annual exam.
5. The classes will continue to October 2019 for the benefit of those who get selected for the next stage (RMO) and those unqualified wants to attend the classes .
6. There will be no screening test for admission, however the classes are not regular maths class and will be at the difficulty level of Olympiad competition.
7. Registration fee: Rs. 8000 /- per student for the entire period.

Registration form and more details in our website
